

## **Remembering Melissa**

After reading the tribute to Melissa in February's Link I recalled my memories of Miss Woods, as she was my Guide Captain, we were her first group, at Trinity Methodist Church, Duke Street.

The patrol leaders, I was one, were invited to afternoon tea ever so often to discuss Guiding matters.

We used to always have a wonderful meal. Potted beef on bread rolls, pineapple mousse and fruit cake. We loved going for tea.

Miss Woods, Aunty, used to make it for us, she was a lovely lady. As this was in the early 1950s, it was such a treat.

Happy memories,

**Evelyn Rimmer.**
