Church Contagious Diseases

Beware of these contagious diseases in church

Frontophobia : A morbid fear of the front seats in church. The sufferer is struck by an attack just inside the church door, and collapses in the nearest back seat.

Sermonic Throat : A dreaded choking caused by the start of the sermon. The sufferer unwraps a sweet very slowly and noisily, which seems to effect a complete cure.

Accelerate Vocal Response (AVR) : A condition which causes the sufferer to try to sing faster than the organ.

Church Meeting Paralysis (CMP) : This can strike suddenly, when a post in the church needs filing. A good dose of enthusiasm works wonders with this sad affliction.

Boys' and Girl's Brigade Display.

On Saturday the 21st of May at 6.30pm, the BB and GB companies will be holding their annual display in the Church Hall. The Inspecting Officer is Rob Campbell, who used to be in the Company in the 1970s and 1980s. Be great to see you all there.

Kay Owen and Heather Jackson.
