

## **A Message from Melissa**

Most of you know I am now living at Peacehaven on Roe Lane.

Some of you have already visited me here, and some have brought Communion to which I am grateful. I am always pleased to receive visitors from Church, on the other hand, I know you are all busy with your lives.

I am quite content thinking of you all, and the happy memories from my time at Marshside Road Methodist Church.

I will keep in touch from time to time.

God bless us all,

**Melissa Woods**
