SMILING

Smiling is infectious
You catch it like the flu.
When someone smiled at me today
I started smiling too!

I walked around the corner,
And someone saw me grin.
When he smiled, I realised
I'd passed it on to him!

I thought about the smile
And then realised it's worth.
A single smile like mine
Could travel round the earth!

So if you feel a smile begin,
Don't leave it undetected.
Start an epidemic
And get the world infected!

Silver Wedding Anniversary.

Thank you to everyone who helped us celebrate 25 years of Marriage at the end of August. Your kind comments, words of congratulations and continued support mean so much to the both of us. Thank you to everyone who joined us at our party on the Saturday. It was a wonderfully, fun, happy time enjoyed by all. Thank you for your kind donations towards Alder Hey Cardiac Care ward, we collected £1,055 of donations and a friend at Mike's work organised a cake sale and raised £161.65 to bring the total to £1,216.65. We will now be contacting Alder Hey to see what we can purchase for the children in their care.

Thanks again,

Mike and Kay Owen
